

Saddlebag Shelving

Part Number - RS-MS-0296

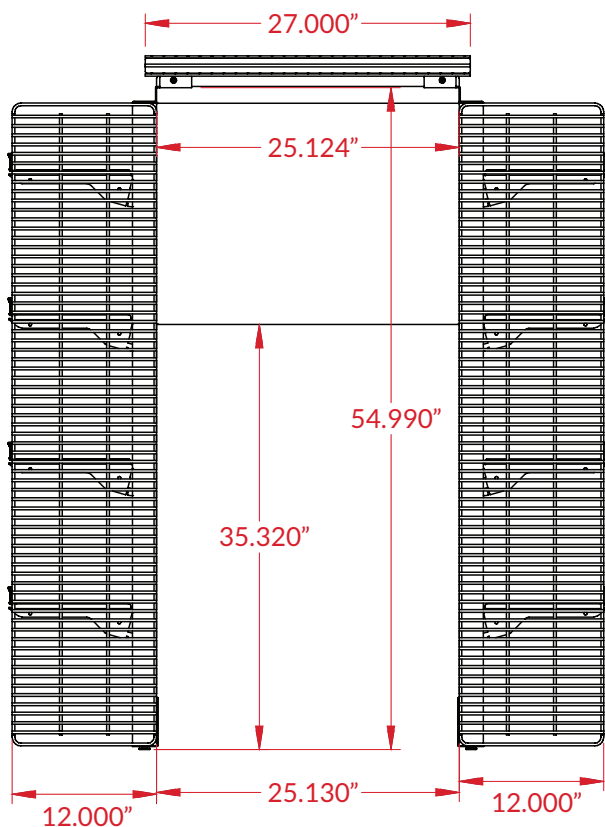

NEW PRODUCT

Get the most out of your store's potential with **Vector International's** new saddlebag shelving. Fit more SKUs in less floor space and boost impulse sales. Eight adjustable shelves and a large shelf on top maximize product exposure and pack-out. This shelving unit was designed for use with any 55" x 25" x 24" refrigerated or freezer case. Contact your Royston Group sales representative to order yours today!
