We envision loyal customers

Our comprehensive product offering includes **Multideck, Island, Spot Merchandiser, Specialty** and **Freezer** cases, each designed to encourage customer engagement and impulse sales. Choose from cold, frozen, ambient and hot temperature options featuring dazzling LED lighting, engineered with easy maintenance and long-term performance in mind.

McKenzie | MDC-48LS-R/ 56LD-R/72LD-R/87LD-R Multideck Merchandiser | ❄️

The **McKenzie Multideck Merchandiser** from **Southern CaseArts** is a great addition to your refrigerated cases. With four width options and several height options with 2 to 5 adjustable shelves, this case offers endless merchandising possibilities throughout your store. The **McKenzie** is the perfect case for meats, cheese, snacks, sandwiches and beverages.

Echo | EVO-04N-R Multideck Island | ❄️

Achieve maximum packout of meats, deli, beverages and prepared foods with our powerhouse **Echo Multideck Island Merchandiser**. Cold double-sided display area and two endcaps allow flexible product placement under dynamic LED lighting. Available in three lengths.

Superior | RIM-3N2-R/3N2-S/3S2-R Multideck Island Merchandiser | ❄️

Grab-n-go foods, beverages, and snacks standout on our 360-degree **Superior Multideck Island Refrigerated Merchandiser**. Two adjustable shelves provide maximum display flexibility while LED lighting makes them pop. Available in two lengths with self-contained or remote operation.

Cumberland | FSE-HCI3-H & FSE-HLI-H Multideck Island Merchandiser | 🔥

Achieve 360 degrees of sales power with our **Cumberland Multideck Hot Island Merchandiser**. Rotisserie chicken and other deli offerings tantalize the senses under LED lighting and overhead heat in the canopy and two shelves. This easy to maintain case is available in three lengths.

Grande | MDC-HT02-H/HT03-H Multideck Merchandiser | 🔥

Rotisserie chicken and other hot grab-n-go foods look delicious under LED lighting in the **Grande Multideck Prepared Foods** case. Individual temperature controls for each display level save energy and expand your product mix options. Multiple lengths allow perfect fit anywhere.

Denali | LMRM-HA2-S Produce Merchandiser | ❄️

Showcase fruits, vegetables, deli items and more in the **Denali Refrigerated Produce Merchandiser**. This self-contained, energy efficient unit features a lower energy fan and vibrant LED lighting. Available in two lengths.

Appalachian | MDC-54 & MDC-84 Multideck Merchandiser | ❄️

Cheese, meat, prepared foods and beverages have special appeal and maximum exposure in the **Appalachian Multideck Merchandiser**. This self-contained unit with low energy fan is available multiple lengths and heights, all featuring adjustable shelves.

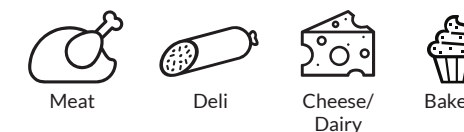

Spruce | 04.0-MDC-COM-S Combination Multideck Merchandiser | ❄️

The **Spruce Dual Temperature Multideck Merchandiser** gives you the flexibility to present a range of compatible items in the same location. Customers will find their favorite snacks, sandwiches, prepared foods and beverages in one place for added cross-sales. This 4-foot-wide self-contained case will fit just about anywhere.

Niagara | BCX-BAV-R Bakery Service Merchandiser | ❄️

The **Niagara Bakery Service Merchandiser** elevates bakery, meat, deli items, and cheese to star status. Adjustable glass shelves, LED lighting and reflective rear sliding service doors make everything sparkle. Available in three lengths.

Diablo | MDD-81TNF Food Merchandiser | ❄️

Enjoy pristine frozen foods presentation with the **Diablo Upright Freezer**. Powerful LED lighting (standard) and optional anti-fog glass doors deliver high product visibility while reducing energy use. Five adjustable shelves maximize product pack-out and lift-off panels make cleaning easy without tools. Available in multiple lengths with 1 to 5 doors, and as remote or self-contained units.

Engagement is our Vision.

With an almost 50-year reputation for innovation and performance, **Southern CaseArts**, part of the **Royston Group** understands the unique challenges of the grocery store industry. You require stylish, dependable, energy-efficient cases that maximize packout and make every product look great. Our comprehensive offering features a wide range of designs engineered for big impact that builds your brand and keeps them coming back.
